CHUCK PIERCE and WENDY ALEC: "5768--A Year of Being HOT! AND The WEST COAST OF America--I Am Pouring out the FEROCIOUS FIRE of My Spirit"

Below are prophetic words from two of God's tried and trusted prophetic voices--Chuck Pierce and Wendy Alec. At the beginning of this new Hebrew Year 5768, Chuck said that this would be a year of "New Beginnings" and he felt that California would be the first state to reflect what this year is about.

Also below is a prophetic word from Wendy Alec, which she spoke about California at the beginning of this year in January 2007. It is imperative at times that we look back at what the prophets have said and when they said it. Wendy shares from the Lord, "For I shall breathe a fresh, new breath upon California. And My Church shall blaze with the fierceness of its rising. And the flame that has been lit in the WEST COAST shall SET ABLAZE A TORCH that will blaze from generation to generation."

Both Chuck's and Wendy's words remind us to see from God's perspective. The Master Planner always has a plan of redemption, grace and LOVE!

Let's continue to stand with and pray over California.

Chuck Pierce: Pray for California--5768 is a Year of FIRE and Being HOT!

Dear Prayer Warriors:

Continue to pray for California. The Lord led me to be in California on the first day of the Feast of Tabernacles this year. I felt California would be the first state that would reflect what this year is about.

Here is what I shared about the year 5768: The number eight is always linked with new beginnings! This Hebrew word is linked with life and being hot. We move from rain and floods to wind and fire! The Lord will both burn away the dross in our lives and territories, and then unlock new passion. Our testing from the fire will produce gold this year. We are entering into a year where we must choose to be hot and filled with passion, so we can conceive our future! Choose the fire and the zeal of God! Let's decree that the people of California will lead us into this year of new beginnings.

This is a year that your past traumas will become your testimony of overcoming! Your testimony is the spirit of prophecy that will overtake the enemy's plan and secure your future. I was recently with Peter and Doris Wagner in Phoenix, AZ. at a gathering to help that region better understand the warfare they are facing ahead. Linda Heidler just gave this word of the Lord:

"It is time for warfare to go to a new level. Your enemies are to be your food. When I prepare a table for you, your enemies are to be your food! You have learned to bind them and cast them out, but you have not learned to devour your enemy so that he does not rise again. When I sent My people into the Promised Land to secure their future, I had their enemies and all of their wealth waiting to transfer. But My people saw their enemies as giants instead of the food and the supply for their future. See from My Perspective! This

is a day to gain a new perspective on warfare to see your enemy and his resources as your supply, your food. I am calling you to taste and see that I AM good. As you commune with Me in days ahead, I will show you how to make your enemies the bread for your future."

Numbers 14:6-9 says: "But Joshua and Caleb, who were among those who had spied out the land, tore their clothes; and they spoke to all the congregation of the children of Israel, saying: 'The land we passed through to spy out is an exceedingly good land. If the LORD delights in us, then He will bring us into this land and give it to us, a land which flows with milk and honey. Only do not rebel against the LORD, nor fear the people of the land, for they are our bread; their protection has departed from them, and the LORD is with us. Do not fear them.'"

Wendy Alec: The WEST COAST OF AMERICA--I Am Preparing to Pour Out from Heaven the FEROCIOUS FIRE of My Spirit - Prophetic word by Wendy Alec given in January 2007:

"Yes," says the Lord, "for many have said, 'this is a hard place to break through. It is hard ground. It is not like the bible belt. It is not like the heartland.' But in this coming season, I tell you," says the Lord, "even as the wildfires that blazed across California, which could not be contained--that blazed with a ferocious fire—so I am in this day and in this season preparing to pour out from Heaven the ferocious fire of My Spirit across the West Coast of America."

Just One Spark

"And even as one tinder spark set ablaze the forest fires, so, too, I shall take a spark," says the Lord, "JUST ONE SPARK. I shall take the spark of the prayers of My saints who stand in California. I shall take the spark of the declarations of My apostles, of My prophets and of My intercessors. For I have seen the sowing and the plowing and the ground that has been wet with tears from those that have labored incessantly in the heat of the day."

In Just One Day

"And in just ONE DAY," says the Lord, "like a tinderbox—the outpouring of My Holy Spirit shall blaze across this state and beyond. And it shall burn with a flame that cannot be extinguished. And many, many, many of My servants who serve Me in the West Coast, shall know that THIS IS THAT which they have stood in the gap for. THIS IS THAT for which they have yearned. THIS IS THAT which they have seen in their spirits. And many shall say, 'It is Azusa.' But I say to you--this coming move of My Spirit is in a different flow and a different dispensation from that which has gone before."

For I Shall Breathe a Fresh New Breath Upon California

"For I shall breathe a fresh, new breath upon California. And My Church shall blaze with the fierceness of its rising. And the fear, yes, the FEAR of the Living God, the fear of the Lord of Hosts shall fall, and it shall fall upon My Church. But as My Church falls to its knees, so I shall pour out My Spirit to those that reject Me; to those that deny Me; to those that refute My existence; and they shall say, 'GOD IS IN OUR MIDST.'"

I Shall Gatecrash the City of Los Angeles

"And I shall gatecrash, yes, literally, gatecrash the city of LOS ANGELES. And there shall be a

cleansing," says the Lord, "yes, even as the lepers were cleansed by Me, there shall be a cleansing in that day and in that hour. And My presence shall be known among the gatekeepers of the media and the entertainment industry. And My presence shall be known among the financiers."

"And My presence shall sweep the city of Los Angeles to the north and to the south, to the east and to the west of this state. And a great healing and forgiveness between races shall occur. For the love of My Son shall fall upon young men and old; the love of My Son shall overshadow the city."

San Francisco--You Have Been Found Wanting

"And San Francisco, I tell you--you have been weighed on the scales of My judgment and you have been found wanting. And yet, I have cried for you, San Francisco. I have wept for you and reached out to you. I have sent My apostles. I have sent My prophets. I have sent My pastors to heal your land. And still, you have rejected Me."

"But for a remnant," says the Lord, "a remnant whose cries come before My throne day and night, pleading for you, San Francisco. For the weight of sin overwhelms you, and judgment, judgment, yes, judgment is at hand. For the scales of sin are against you. Yet, still, I reach out to you and implore you to repent. For a shaking draws near to you, San Francisco. A SHAKING. A SHAKING. Yes, a shaking draws near, and you shall be in a manner of moments-- BROUGHT TO YOUR KNEES."

"But, for all those who have faithfully served Me and stood in the gap, I shall be their HIGH TOWER. And they shall know MY protection and MY covering of their families and their possessions. And the destroyer shall pass them over. I will not, NO, I will not in any means fail them. FOR THEY ARE MINE. But, I tell you that in these latter days, I shall pour out My Spirit upon you. And even in the streets, men and women will cry out to Me and know My grace and know My presence."

"I shall not forsake you in that day, even though you have not known Me, San Francisco. And THEN shall revival break forth in this city. And those dreams and visions in the late-night hour that I have shown My servants who protect the city Gates--SHALL COME TO PASS. THEY SHALL COME TO PASS. THEY SHALL COME TO PASS. YOU SHALL YET SEE THEM IN YOUR DAY."

"And the flame that has been lit in the WEST COAST shall SET ABLAZE A TORCH that will blaze from generation to generation. And ASIA, yes, even ASIA shall be affected by this. And I shall send missionaries out from the West Coast to ASIA, to AUSTRALASIA, to VIETNAM, to JAPAN, to MALAYSIA. Yes, the torch shall blaze."
