

State Prayer Initiative New Years Eve High Sierra Epicenter Prayer Room

Dear body of Christ in California:

I am writing to make a clarion call to the state beginning at 6 AM on New Years Eve day to read aloud the entire word of God. The Lord dropped this in my heart over a month ago. And my first response was this can't be some old ritual. I continued to pray. A few weeks later the Lord spoke to me and said "The state of California must come into alignment with the word of God" and that was my answer and I understood the significance. This is one of the pieces to the transformation of California. We know that ALIGNMENT is a now word.

With this as the direction from the center of the state I propose and invite the body of Christ to gather in Oakhurst, in the high sierras just below Yosemite National Park to declare the word of God from Genesis to Revelation beginning with the Old Testament at 6am on December 31, 2009 and completed by 11:00am on January 2, 2010. I propose the Old Testament to be read at the new High Sierra Epicenter Prayer room in Oakhurst, and the New Testament to be read at the geographical marker that quantifies the exact center of the state of California located 30 minutes from the epicenter prayer room. The New Testament reading to begin at noon on December 31, 2009, and completed by 7:00 am New Years Day January 1, 2010 The entire Bible will be read simultaneously by those signing up for minimum 1 hour until completed. It takes 52 hours 20 minutes to read the Old Testament out loud and 18 hours and 20 minutes to read the New Testament. We need 53 people to complete the OT and 19 people to complete the NT for a total of 72 people from every area possible of the state. Marilyn Noorda feels the 'arteries' or roadways of the state will bring the body to the 'heart', Oakhurst and release life blood from the center. Others may stay on site as desired to intercede for the state at either location.

It will probably be quite cold at this time of year and the marker is about 30 minutes from the epicenter prayer room and could possibly have rain or even a little snow. We have already been gifted with a stadium light, porta potty and 'tent' for on site at the center marker. We will provide maps and signs to the marker as well as lead people to the site as needed.

We will have the schedule on our website www.destinytc.com with confirmed times for individuals who sign up. To sign up for a specific time email me at dtc@sti.net and I will send a confirmation of your time. The local hotels will be off season so the hotel prices will be quite reasonable for those wanting to stay, and they are all within 5 minutes of the prayer room all being on Highway 41, the only main road in Oakhurst. The prayer room is located on the left side of the highway, right in front of the cemetery on Hwy 41, just past the first stop light and McDonald's center, our signs are easy to see.

Please get this out to your networks, churches, leaders, pastors, etc. and lets believe for 2010, Lord Do It Again, let the fire fall and let the outpouring of your Spirit transform California like you have done in the past .

Pressing onward to see California become His Glory State
